## Ogio Rose Blush 2020

Italy > - Non-regional

Dry, Rosé, Still wine

Red and White Blend

A Rosé wine with deliciously ripe strawberry and raspberry flavours, perfectly balanced by a crisp finish. Ideal with grilled fish, pizza or fresh salads

### About us

Located in the Veneto region 30 km north-east of Venice, Botter was founded in 1928 by Carlo Botter. The company sources quality grapes from a network of small local growers. Over 80 years on, the business is still family ran, so they can give each wine they produce care, attention and all the winemaking knowledge that has been passed down from one generation to the next.
