Pine Ridge Vineyards

### Chenin Blanc + Viognier 2020

USA > California > Clarksburg

Dry, White, Still wine

80% Chenin Blanc, 20% Viognier

The Chenin Blanc comes from the Clarksburg appellation, referred to as the “Gem of the Delta”, which is over in the Sacramento river delta. This means that it is fairly warm with an almost constant breeze which helps to retain freshness and acidity in the grapes. The wine was aged in stainless-steel tanks without malolactic fermentation in order to retain the pure varietal fruit character in the final wine. Crisp, bright and lively, this wine boasts a bouquet of orange blossom, honeysuckle, citrus, tropical fruit, and fresh cut green herbs. On the palate, there are ripe fruit flavours of lychee, white peach, grapefruit and nectarine. It is medium-bodied, with a hint of minerality on the long, refreshing finish.

#### About us

Pine Ridge Vineyards, in the Stags Leap District, lies tucked beneath a ridge of pines, with a full view of the rugged palisades that speak to the dramatic geologic origins of our home and its world-famous Cabernet Sauvignon soils. With meticulous attention to detail and a knowledge developed over 40 years, Pine Ridge Vineyards produces wines that showcase 200 acres of estate vineyards across the Napa Valley. Poised and balanced, these finely-crafted wines reflect a distinctly classic style.
