

Groth

Groth Vineyards & Winery

Groth Vineyards & Winery Cabernet Sauvignon Reserve 2017

USA > California > Oakville

Dry, Red, Still wine

91% Cabernet Sauvignon, 9% Merlot

The dense deep purple color hints at the intensity in this wine. Aromas of sweet vanilla and pie spice layered over black cherries dominate the nose, accompanied by cassis, red plum and a savory touch of sarsaparilla root. The round, rich entry builds quickly to a full structured mouthfeel with consistent acidity. There is a clean, elegant progression of ripe black cherry, black currant, and juicy dark plum, finishing with clove and vanilla, a hint of marzipan and a trickle of cherry juice. The big structure of this wine should have it drinking well into 2040 or beyond.

About us

Dennis and Judy Groth founded Groth Vineyards & Winery in 1981 in the Oakville appellation of Napa Valley. Groth Vineyards & Winery remains family-owned and operated by second-generation President, Suzanne Groth. The winery produces distinctive Reserve Cabernet Sauvignon, Cabernet Sauvignon, Sauvignon Blanc and Chardonnay from their 165 acres of sustainably-farmed vineyards in Oakville and the Oak Knoll District of Napa Valley.
