Louis M Martini Sonoma Cabernet Sauvignon 2018

USA > California > Sonoma County
Dry, Red, Still wine
Cabernet Sauvignon

The Louis M. Martini 2018 Sonoma County Cabernet Sauvignon reflects the best of the warm, narrow Dry Creek Valley and the hot yet wind-cooled Alexander Valley. Together, these unique features create a balanced Cabernet Sauvignon with concentrated notes of dark fruit, black tea and cocoa. The full-bodied mouthfeel leads to a supple and persistent finish.

About us

The Martini winery has been crafting world-class Cabernet Sauvignon from Napa and Sonoma's finest vineyards since 1933. Our founder Louis M. Martini started with this simple premise: the best grapes make the best wines. Today, this tradition carries on at our historic winery in the Napa Valley with a range of unforgettable Cabernet Sauvignon wines.
