

Ironstone Vineyards

Ironstone Petite Sirah 2019

USA > California > Lodi

Dry, Red, Still wine

93% Petite Sirah, 3% Zinfandel, 4% Syrah

If you love a big, red wine, our Petite Sirah is a “must have”. Succulent and rich, its deep, dark purple inky colour leads the way to bold aromas of warm berry pie and loads of blueberry mixed with vanilla and a light pepper spice. Its full flavour of lush berries mixed with dark chocolate, warm cedar and vanilla gives way to a delightfully smooth finish with moderate tannins.

About us

Ironstone are the epitome of a family business, producing brilliantly made Californian wines with a whole lot of heart. The Ironstone range is incredibly diverse. From a well-rounded Chardonnay bursting with citrus and vanilla notes to a smooth, juicy and complex Merlot, the Kautz family know exactly what they are doing.

Terroir

Gravelly soils, well drained

Viticulture

The Kautz Family grows these Petite Sirah grapes in their Teichert Ranch vineyard in the Sloughouse sub-appellation of the Lodi AVA. These soils contain large stones throughout, They are well-drained soils ideal for growing world-class winegrapes. At Ironstone, we use crop reduction, leaf removal, organic materials, and drip irrigation to improve the quality and intensity of flavors. Cover crops, which attract beneficial insects, are also employed. In addition, we place owl and wood duck boxes around the vineyards and ponds helping to preserve the surrounding habitats.

Recommendation

Our Petite Sirah is a perfect wine to serve with dishes like veal saltimbocca or braised beef with winter vegetables. You can also try it with other dishes that contain a variety of mushrooms.

Alc.: 13.50 %

Temperature: 14° - 16° C
