Fait-Main Beckstoffer Las Piedras Vineyard Cabernet Sauvignon 2018

USA > California > Napa Valley

100% Cabernet Sauvignon

Beckstoffer Las Piedras Vineyard is one of the heritage vineyards owned and farmed by the Beckstoffer family, and has been planted to vineyard for over 150 years. The clone 4 Cabernet Sauvignon vines we use are lyre-trained to let in light and air. The Beckstoffers and I have collaborated over the years to dial in the farming of my portion, in particular, the use of shade cloth to late in the season. The soft filtered light in the heat of summer helps us maintain even ripening, allowing us approachability without sacrificing ageability in the finished wine.

About us

A few years ago in California, Benoit Touquette was one of the rising superstars in the wine scene. However, at the latest with the reviews of Robert Parker and Lisa Perrotti-Brown for the wine "The Absurd" by Realm Cellars, the adjective "rising" was a thing of the past. In addition to Realm Cellars, where Benoit works as an active partner and also in the actual winemaking, he looks after a number of other wineries and also finds time for his very own projects: Fait-Main and Teeter-Totter.
