### About us

Anastasia Fragou Winery was established in 1986. It is a family - boutique winery in the heart of Maisogaia, the most important region of Attica considering the vine, a region with a manifold winemaking history that is lost in the times of Ancient Greece. From the first moment of its operation, Anastasia's Fragou Winery focuses on the cultivation of Savatiano, the historical white variety of Attica. The proprietary vineyards amount 14 hectares and are located in the area of Spata, Pikermi, and Rafina each site focusing on the vinification of different wines.
