About us

Founded in Greve in Chianti in 1967 by the Sacchet and Zaccheo families, Carpineto has 500 hectares of land sustainably farmed, divided between 5 estates located in the most historic Tuscan denominations: Chianti Classico, Alto Valdarno, Vino Nobile di Montepulciano, Brunello di Montalcino and Maremma. It exports to more than 70 countries in the world and boasts excellent awards from the most accredited international reviews. The only company, in the history of the denomination, to have been included in the Top 100 of Wine Spectator with Vino Nobile di Montepulciano Riserva.

Viticulture

The vegetative restart was late compared to the last few years. Spring was very rigid and full of precipitation. And this water resource was a help to face the hot months allowing the plant to avoid water stress.

Vinification

Maceration of the skins in the must and fermentation at controlled low temperature.
