

Querceto di Castellina

Chianti Classico L'aura 2019

Italy > Tuscany > Chianti Classico

Dry, Red, Still wine

100% Sangiovese

A bright ruby red wine with an austere nose, the L'aura 2018 has strong notes of ripe fruit and expresses the minerality of our terroir. It's a wine with subtle hints of warm spices, good structure and well-integrated tannins, and leaves you with a pleasant touch of cacao in the finish.

About us

A family-run organic winery and agriturismo nestled in the Tuscan countryside, between the villages of Radda and Castellina in Chianti. From the pruning of our vines to the selection of our grapes, we're intensely focused on the art of great Italian winemaking. And we're equally passionate about the earth, being a sustainable winery from the start in 1998 and certified organic since 2012. We consider ourselves more of a boutique winery with our full production at approximately 60,000 bottles/year from our 29 acres of vines.
