

Brancaia

Chianti Classico Brancaia 2019

Italien > Toskana > Chianti Classico
Trocken, Rot, Stillwein
100% Sangiovese

CHIANTI CLASSICO is a tribute to our terroir. This single-variety wine fascinates with its easiness and the ripe cherry notes, one of the typical aromas for Sangiovese. In the mouth, a lovely freshness and sapidity combine with young and crisp tannins. After a 12-month stay in steel and cement tanks, this wine is immediately ready to drink. It's a beautiful wine with sharp focus and brightness.

Über uns

OUR HISTORY started in 1981; the Swiss family Widmer purchased the Brancaia estate (Castellina in Chianti) as a Tuscan family retreat. Bruno and Brigitte Widmer, decided right from the start that they would only produce wines of the highest quality. In addition to the original Brancaia Estate, in 1989, we added the Poppi Estate (Radda in Chianti) and, in 1998, the Maremma Estate near the Mediterranean coast. Today, we have 40 hectares of vineyards in Chianti Classico and 40 in the Maremma, with winemaking facilities in each region.

Ausbau

The grapes are only picked by hand and after being stripped and squeezed go directly into the fermentation tanks without pumping, by gravity only. Fermentation takes place in temperature-controlled cone-shaped steel tanks.
