CHIANTI CLASSICO

Castello di Bossi

## Chianti Classico Castello di Bossi 2018

Italien > Toskana > Chianti Classico

100% Sangiovese

### Über uns

The Castello di Bossi winery is the perfect union between innovation and tradition. It consists of six large separate work-areas, each with separate temperature controls, with an overall area of 3,500 sq.m. Despite its size and its up-to-date facilities, it is below ground on two sides and almost invisible. The fermentation area has new temperature-controlled stainless steel tanks.
